No. 2780—Ml. 559-07-49, dated 20th September 1909.

Whereas by a proclamation of the 4th December 1908, published on the 18th March 1909 at page 352 of the English issue and at page 147 of the Kannada issue of the *Mysore Gazette*, Part II, and posted up in conspicuous places in the town of Maddur and its neighbouring villages noted in the proclamation, it was duly announced under Section 8 of the Mysore Municipal Regulation, VII of 1906, that it was proposed to constitute the town of Maddur including the neighbouring villages of Sivapur and Bangalore-Chennanadoddi into a Municipality, and whereas it appears to Government inexpedient to include the said Bangalore-Chennanadoddi within the local area to be constituted a Municipality, the Government of His Highness the Maharaja are pleased, in exercise of the powers vested in them by Section 4 (i) of the said Regulation to constitute the Maddur town including the Sivapur village but excluding the Bangalore-Chennanadoddi into a permanent Municipality and to declare that the boundary of the said Municipality shall, on and after the 1st October 1909, be as described hereunder :—

The boundaries of the Maddur Municipality (including the village of Sivapur) are as described hereunder :—

The boundary line commences at the northern corner of Survey No. 333 of Chamanahalli village on the eastern side of the Mysore-Bangalore road and runs southwards along that road and along the western boundaries of Survey Nos. 333, 332, 331, 364, 382, 384, 385, 416, 391, 313, 312, 323, 324, 325, 358, 339, 340, 343, 868 and 344 of Maddur village until it reaches the south-western point of the last mentioned survey number. At this point it takes a north-easterly direction and runs along the southern and eastern boundary lines of Survey No. 344, the eastern boundary of Survey Nos. 868 and 343, the southern boundary of Survey No. 345 and the western and southern boundary of Survey No. 346 until it reaches the north-western corner of Survey No. 353. From this point the boundary line runs southwards along the western boundary lines of Survey Nos. 353, 354, 356, 357, 358, 361, 362 and 363 till it reaches

the western corner of Survey No. 363. It then takes a bend and runs along the southern boundary of Survey No. 363 and the northern boundaries of Survey Nos. 871, 874, 876, 877 and 878 till it reaches the north-western corner of Survey No. 878. Thence it turns again and continues along the western and southern boundary lines of Survey No. 878 and the southern boundary of 877. Here it takes a curve turning towards the west and runs along the northern boundary lines of Survey Nos. 366 and 370, 882, 881, 885, 886, 887, 888, 889, 890, 891, 892, 893, 894, 895, 896, 897, 898, and 899 till it reaches the north-western point of Survey No. 899. From this point it goes northwards along the eastern boundary of Survey No. 855 and turns westwards along its northern boundary. At the north-western corner of this number it takes a curve, crosses the Kanwan channel and meets the north-eastern corner of Survey No. 832. Thence, it runs southwards along the eastern boundaries of Survey Nos. 832 and 695 and reaches the south-eastern corner of Survey No. 695. Here it turns towards the west and goes along the southern boundaries of Survey Nos. 695 and 699 till it reaches the south-western point of Survey No. 699. From here it goes northwards until it reaches the north-western point of the same survey number. At this point it crosses the "Oni" leading to Govavanahalli and touches the north-eastern point of Survey No. 805. Thence, it goes in a south-westerly direction along the Mysore-Bangalore road, till it meets the cart-track from Govavanahalli. Here it turns northwards and crossing the aforesaid road runs in a northerly direction along the western side of the Govavanahalli cart-track until it reaches the Railway line at the north-western corner of Survey No. 799; then takes a bend to the south along the western boundary line of the said survey number till it reaches the south-western point of the same survey number. From there it runs eastwards along the southern boundaries of Survey Nos. 799, 810, 811, 817, 818, 819, 828 and 829, till it reaches the south-eastern corner of Survey No. 829. Thence it runs north along the eastern boundary of Survey No. 829 and meeting the boundary line of Survey No. 827 runs eastwards along that boundary as far as the south-western corner of Survey No. 825. From this point it takes a northerly direction, runs along the southern and eastern boundaries of Survey No. 825 and crosses the Kanwan channel of the Maddur tank at the south-eastern corner of Survey Nos. 822 and 515; then turns eastwards until it reaches the south-eastern corner of Survey No. 1 of the same village. It then runs northwards along the eastern boundaries of Survey Nos. 1 and 2, and then turning eastwards runs along the southern boundaries of Survey Nos. 859, 860, 869, 862 and 864 till it reaches the south-east corner of Survey No. 864, where it takes a bend and runs along the western boundaries of Survey Nos. 865, 866 and 863, till it meets the south-eastern corner of Survey No. 863. Thence, it goes north along the eastern boundary of Survey No. 863 and reaches the south-western point of Survey No. 9. It then runs east, and meeting the south-eastern point of Survey No. 9 goes north along the eastern boundary of Survey No. 9 till it reaches the south-western point of Survey No. 12. From this point it runs east forming the southern boundaries of Survey Nos. 12 and 13, till it meets the south-eastern point of Survey No. 13. It then turns north and goes in the direction of the Mysore-Bangalore road along the eastern boundaries of Survey Nos. 13, 16, 17, 270, 271 and 272 of Maddur village, crosses the Kodihalla of Maddur tank and continues to run northwards along the eastern boundaries of Survey Nos. 311 and 309 of the Maddur village and Survey Nos. 392, 393, 394, 415, 417, 419, 420 and 421 of Chamanahalli village. At the north-east corner of Survey No. 421 it turns towards the west and runs along the northern boundary of Survey Nos. 421 and eastern and northern boundaries of Survey No. 427 and the northern boundaries of Survey Nos. 431 and 430, crosses the road leading to Maddur Railway Station at the south-western corner of Survey No. 429 and runs eastwards along the southern boundaries of Survey Nos. 429 and 428 till it reaches the south-east corner of Survey No. 428. Here, it takes a curve along the eastern boundary of Survey No. 428 and the western boundary of Survey No. 349. From the south-west corner of Survey No. 349, it runs along the southern boundaries of Survey Nos. 349 and 350. At the south-east corner of Survey No. 350, it turns north along the eastern boundary of that number and meeting the south-western corner of Survey No. 363, runs eastwards along the southern boundary of the same survey number till it reaches the south-eastern point of that survey number. At this point the boundary line turns north and goes in the direction of the Mysore-Bangalore road along the eastern boundaries of Survey Nos. 333, 360, 359 and 334 until it reaches the small nala of Maddur tank. Thence, it crosses the Nala, turns east, crosses the Bangalore-Mysore road, and meets the northern point of Survey No. 333 from where it started.
